

ASHOKA STEELS

Unit Of Manufacturing M.S. Tubes

**ISO 9001 : 2015
Certified Company**

**Strong Tubes
Stronger Commitments**

ABOUT US:

We at Ashoka steels is an ISO 9001:2015 certified company and motivated to work with high dedication to manufacture of M.S Pipes. To enable our ambition, we have a setup one of the most modern and fully automated plant and supply of Premium products. We follow a very strict policy on quality and our team members dedicated to ensure 0% defects and 100% perfect finish Product, adhering to international standards.

INFRA-STRUCTURE:

We have incorporated state of art machineries to produce M.S tubes with 1,40,000 sq.ft area for manufacturing process, Also we have an annual manufacturing capacity of 75,000 metric tons and a major expansion is under way to increase the capacity with facilities of German technology.

**Customer Satisfaction
is our Motto**

ASHOKA

**The Name itself is Stronger
Premium Tubes**

ADVANTAGES:

- Uniform and aesthetically looks good.
- Physical and theoretical weight of the tubes will be same.
- We maintain adequate stock to meet the customer's requirements.
- Odd sizes and length can be rolled out subject to minimum order.
- We offer our clients the reliable products and good services.

TECHNICAL DETAIL:

Specializing in the production of top quality **ELECTRIC RESISTANCE WELDED (ERW) Steel Tubes**, which welds narrow and uniform section and free from micro-structure defects and minimize oxidation and discoloration as well as distortion,

We using **COLD SAW CUT OFF** system which delivers a high quality finish Products with accurate edge cuts.
